

Topic- Youth Day Celebration, DEBATE – Decoding Union Budget 2026-27

About Event	Participants selected a specific provision of the Union Budget (such as taxation, defence, education, healthcare, or infrastructure) instead of debating the budget as a whole. Each speaker clearly stated their position in favour or against the chosen budget component and supported it with facts, data, and logical reasoning. Arguments in favour focused on economic growth, development initiatives, and policy reforms, while opposing views highlighted tax burdens, inflation concerns, and allocation gaps. The debate included strong rebuttals, critical analysis, and confident stage presence, showcasing students' research and public speaking skills. Judges evaluated participants based on content depth, clarity, argument strength, and overall presentation, making the event intellectually engaging and insightful.
Organized By	PGDM, DSBS
Date	13 th Feb 2026
Coordinator Name	Dr.Jyothi Mishra
Time	03:00 PM TO 5:00 PM
Total Participants	45
